

## **WILLIAM TORBITT PRIMARY SCHOOL**

### **Pupils' Acceptable Use of ICT Agreement**

This covers the use of computers, Fronter, emails, internet, programs, electronic equipment, i-pads, mobile phones, and the school server system.

- I will not tell or show my school computer login password or Fronter login password to anyone.
- I will not allow anyone else to use my Fronter account or school login account.
- I will not leave my school computer or Fronter account logged in when I am not at the computer.
- I will make sure what I add to Fronter forums is sensible, useful and respectful to others.
- I will not include any of my personal details on Fronter (eg address, phone number, email address).
- I will not search for or use websites or material that are not linked to the lesson.
- I will tell my teacher if I accidentally view or receive something that should not be viewed by a child at William Torbitt Primary School.
- I will not download or use resources or websites from the internet that can cause problems to the school network.
- I will not connect a USB flash drive to a school computer or laptop without checking with the ICT technician (Mr Harris) or my class teacher.
- I will not take pictures of pupils or staff without permission from my teacher or the ICT technician.
- I understand that the school keeps a check on what I do on my computer in school and on Fronter, and that this information could be made available to the headteacher when needed.
- I understand that any child who does not keep to this agreement will be dealt with by the teacher / headteacher, and parents will be informed.
