Volunteers needed

This week, we will have a table at the front of the school on Monday and Friday, and a table in school on Thursday (sports day) where parents/carers can sign up as volunteers to help out at the summer fayre. We have various times and roles that we will need support with. It would be great to have our school community coming together and working together for this event. Please sign up.

Our PTA page on the school website has details of the things we need help with: www.williamtorbitt.org.uk

The PTA are also enquiring about a PA system to play music, and make announcements. If anyone has one or knows someone who has one, please get in contact with Mrs Cann or Miss Hall.
