

Personal, Social, Emotional Development

Making friends- we will be talking about our friends and what we like doing with them. We will be

Physical Development

We will be exploring malleable materials to help improve our grip, and fine motor skills.

Using the climbing equipment to improve our upper body strength.

Communication and Language

We will be discussing stories and things we have explored throughout the day. Introduction of Show and Tell, for excellent examples of work they have done at home.

Mathematics

Number focus on counting from 0-20. We will work on recognition of numbers. We will be continuing to develop our knowledge of 2D shapes; try asking your child what shapes they can see as you walk to school!

Expressive Arts and Design

We will be learning songs for our Christmas nativity. We will be experimenting with different percussion instruments and listening to the sound they make. We will be exploring different colours and colour mixing.

Nursery – Autumn 2

Our theme for this term is:
Food

Understanding the World

We will be exploring food from different cultures and speaking about where we are from. We will be cooking biscuits and other foods. Children will be encouraged to use simple programs on the computers and iPads.

Literacy

Our books will be The Little Red Hen and Biscuit Bear. We will start Phase 1 of Letters and Sounds, trying our best to hear what sounds are in our environment.

Writing – We will be trying hard to improve the grip on our pencils and write our names.

Parental Involvement

The phonics workshop will run on Thursday 30th October 3:45 – 4:30.

Parents have worked alongside the Nursery team to develop the Shooting Stars; they write their child's wishes and aspirations. This is updated on a termly basis.
