Dear Parents / Carers

Year Group Parent Information Meetings

Due to the social distancing measures currently in place, the year group parent information meetings will be taking place remotely via zoom this term.

These meetings will provide you with valuable information, outlining what each year group will be covering in the curriculum this term.

The sessions will be led by the respective year group leader and a member of the senior leadership team will also be present. A separate parentmail will follow with the individual zoom links for each year group.
