

5<sup>th</sup> November 2020

Dear Parent / Carer

## Confirmed COVID Case

I am writing to inform you that we have had our first confirmed pupil case of COVID in Year 6.

In line with the national guidance, and after seeking advice from national guidance, we have closed the Year 6 bubble and advised parents of all Year 6 children that they must now self-isolate for 14 days.

In many ways it was inevitable that our school community would at some stage be affected in this way.

## How to stop COVID-19 spreading

There are things you can do to help reduce the risk of you and anyone you live with getting ill with COVID-19.

### Do

- wash your hands with soap and water often – do this for at least 20 seconds
- use hand sanitiser gel if soap and water are not available
- wash your hands as soon as you get home
- cover your mouth and nose with a tissue or your sleeve (not your hands) when you cough or sneeze
- put used tissues in the bin immediately and wash your hands afterwards

## Further Information

Further information is available at
