

William Torbitt Primary School

DAYGLOW DAY

FRIDAY 20th NOVEMBER 2020

We will be supporting **DAYGLOW DAY** as part of Redbridge

Be Bright, Be Seen campaign.

Everyone at William Torbitt is invited to join in on Friday 20th November and walk to school (or park and stride) wearing something really bright or light.

It will be getting darker much earlier in the evenings and we want to encourage children to **Be Bright, Be Seen**, especially during the winter months. Being more visible to drivers will help prevent road accidents and keep children safe when out and about.

We hope that **DAYGLOW DAY** will capture the children's imaginations and that they will come to school positively glowing! In fact, the brighter, the better! Everyone can join in, from the youngest to the oldest.

We hope you will all take part and make this a non-uniform day with a difference!
